The said audio recording and video tape shall be kept for at least one (1) year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the ROC Company Act, the audio recording and video tape shall be retained until the conclusion of the litigation.

Article 9. The calculation of the number of shares represented by Members attending the meeting

The number of shares represented by Members attending the meeting shall be calculated in accordance with the sign-in book or the number of attendance cards submitted by Members, added with the number of votes exercised in writing or by means of electronic transmission.

The Chairman shall call the meeting to order at the time scheduled for the meeting. If the number of shares represented by the attending Members has not yet constituted a quorum as set out in Article 50 of the Articles of Association of the Company at the time scheduled for the meeting, the Chairman may postpone the time for the meeting. The postponements shall be limited to two times at most, and the meeting shall not be postponed for more than one hour in total with the same quorum requirements as the meeting originally convened as set out in Article 50 of the Articles of Association of the Company. If after two postponements the number of shares represented by the attending Members has not yet constituted more than fifty percent (50%) of the total issued shares, the Chairman shall announce the dissolution of the meeting.

Article 10. Deliberation

The agenda of the meeting shall be set by the Board of Directors if the meeting is convened by the Board of Directors. Unless otherwise approved by the Members at the meeting, the meeting shall proceed in accordance with the agenda.

The preceding paragraph applies *mutatis mutandis* to cases where the meeting is convened by any person, other than the Board of Directors, entitled to convene such meeting.

Unless otherwise resolved at the meeting, the Chairman cannot announce adjournment of the meeting before all items listed in the agenda (including an extempore motion) are resolved. In case the Chairman adjourns the meeting in violation of these Rule, other members of the Board of Directors shall promptly assist the attending Members to elect, by the votes of more than one-half of the votes represented by attending Members present at the Meeting, another person to serve as Chairman to continue the meeting in accordance with due procedures.

The Chairman shall provide sufficient time for the explanation and discussion of all items listed in the agenda or an extempore motion and the amendments submitted by Members. The Chairman may announce an end of discussion and submit an item to a vote if the Chairman deems that the agenda item is ready for voting.

Article 11. Statements from the Members

When a Member attending the meeting wishes to speak, a slip for speeches should be filled out with a summary of the speech, the Member's account number (or the number of attendance card) and the account name of the Member. The sequence of speeches shall be determined by the Chairman.

If any attending Member at the meeting submits a slip for speeches but does not speak, no speech shall be deemed to have been made by such Member. In case the contents of the speech of a Member are inconsistent with the contents of the slip for speeches, the contents of the actual speech shall prevail.

The same Member may not speak more than twice concerning the same item without the Chairman's consent, and each speech time may not exceed five minutes. In case the speech of any Member violates the above provision or is outside the scope of the agenda item, the Chairman may stop the speech of such Member.

Unless otherwise permitted by the Chairman and the speaking Member, no Member shall interrupt the speech of the other Member. The Chairman shall stop such interruption.

If a corporate Member has appointed two or more representatives to attend the Meeting, only one representative can speak for each agenda item.

After the speech of a Member, the Chairman may make responses by himself/herself or appoint an appropriate person to respond.

Article 12. Voting at a Meeting shall be based on the number of shares and measures for recusal of Members.

The shares of Members with no voting rights shall not be included in the total number of issued shares while voting on resolutions.

The voting shall be calculated based on the number of the shares.

If there is concern that a Member's interest may conflict with and adversely affect the Company's interests with regard to any matters discussed at the meeting, that Member shall not participate in voting, and may not represent another Member to exercise his or her voting rights.

The number of shares of those Members not permitted to exercise their voting rights in the foregoing paragraph shall not be included in counting the total number of voting shares for attending Members.

Article 13. Voting, Checking and Counting Ballots

Each Member is entitled to one vote for each share held, except where there is limitation on the voting right or the voting right is denied by operation of the second paragraph of Article 179 of the ROC Company Law.

The Company may resolve that the voting power of a Member at a general meeting may be exercised in written or by way of electronic transmission and the procedure of electronic casting shall be written in the notice of shareholders' meeting. Shareholders who vote in written or by way of electronic transmission shall be deemed as presented in person. With respect to extemporaneous motions and amendments of the original proposals in the shareholders' meeting, those who vote in written or by electronic transmission shall be considered as abstain.

In case a share holder elects to exercise his voting right in writing or by way of electronic transmission, his declaration of intention shall be delivered to the Company two (2) days prior to the scheduled meeting date of the shareholders' meeting, whereas if two or more declarations of the same intention are delivered to the Company, the first declaration of such intention received shall prevail, unless an explicit statement to rescind the previous declaration is made in the declaration which comes later.

In case a shareholder who has exercised his voting right in written or by way of electronic transmission intends to attend the shareholders' meeting in person, he shall two (2) days prior to the meeting date of the scheduled shareholders' meeting and in the same manner previously used in exercising his voting right, deliver a separate declaration of intention to rescind his previous declaration of intention made in exercising the voting right under the preceding paragraph. In the absence of a timely rescission of the previous declaration of intention, the voting right of exercised in writing or by way of electronic transmission shall prevail. In case a shareholder has exercised his voting right in written or by way of electronic transmission, and has also authorized a proxy to attend the shareholders' meeting on his behalf, then the voting right exercised by the authorized proxy for the said shareholder shall prevail.

Except as otherwise provided by the legislation and in these Articles, resolutions of a shareholders' meeting shall be adopted at a meeting attended by shareholders representing a majority of the total number of issued shares and at which meeting a majority of the shareholders vote in favor of such resolutions. In voting, the Chairman or its designated person shall announce the total number of votes by the attending Members for each proposal, and the voting for each proposal shall be made on a poll. The Company shall publish the voting results (including the consent votes, the objection votes and those who waive their voting rights) to the MOPS on the same day of the meeting.

Should there be an amendment or alternative to one motion, the Chairman may combine the amendment or alternative into the original motion, and determine their order for resolution. If any one of the above shall be resolved, the others shall be considered as rejected, upon which no further resolution shall be required.

The Chairman shall appoint persons responsible for checking and counting ballots during votes on agenda items. However, the persons responsible for checking ballots must be Members.

The voting and ballots counting shall be done publicly at the meeting venue and the result of voting, including the calculation weight, shall be announced at the meeting and placed on record.

Article 14. Election-related matters

If the election of Directors is held at a general meeting of the Members, such an election shall be held in accordance with the Company's relevant election Rules and Procedures. The result of the election, including the list of elected Directors and their electoral vote counts must be announced at the meeting.

The ballots cast in the election in the foregoing paragraph must be given proper safekeeping and kept for at least one (1) year upon seal by and with signatures of the persons responsible for checking. If, however, a shareholder files a lawsuit pursuant to Article 189 of the ROC Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15. Meeting minutes and signature and seal of the minutes

Resolutions made at a general meeting of the Members shall be compiled in the form of minutes in accordance with the Articles of Association of the Company and the laws of the Cayman Islands. The Chairman shall affix his/her signature or seal to the minutes, which shall be issued to Members within twenty (20) days after the end of the meeting. Minutes may be produced and issued to Members in electronic form.

The minutes may be distributed by publishing in the form of a public announcement at the MOPS.

The minutes must faithfully record the date (year, month, day) of the meeting, place, Chairman's name, resolution method, summary of proceedings, and results of resolutions. The minute of the meeting shall be kept for as long as the Company exists.

Article 16. Public disclosure

If matters put to a resolution at a meeting constitute material information under applicable laws or regulations or under GreTai Securities Market regulations, this Company shall upload the content of such resolution to the MOPS within the prescribed time period.

Article 17. Preservation of order at the Meeting

Those handling the business of a general meeting of the Members shall wear an identification card or an armband bearing the word "Proctor."

The Chairman may direct disciplinary personnel (or security personnel) to maintain the order of the meeting. For doing so they shall wear an identification badge.

If there is any speaker device at the meeting venue, the Chairman of the meeting may prevent Members from delivering a speech using the device provided by the Company.

The Chairman may direct the disciplinary personnel (or security personnel) to ask the Member who refuses to obey these Procedures or the orders of the Chairman and disturbs the proceedings of the meeting to leave the meeting premises.

Article 18. Intermission and reconvening of the Meeting

During the meeting, the Chairman may, at his or her discretion, set time for intermission. In exceptional cases, when there are incidents that temporarily prevent the normal progress of the meeting of the Members, the Chairman may decide to temporarily suspend the meeting and announce, depending on the situation, the time that the meeting will resume.

Before the agenda (or an extempore motion) items set for the meeting of the

Members are completed, if the meeting venue cannot continue to be used for the meeting, the Members may resolve to seek another venue to resume the meeting.

The Members may resolve, pursuant to Article 182 of the ROC Company Act, by an ordinary resolution to adjourn the meeting within five (5) days.

The registration time should be set at least 30 minutes before the meeting commences. There should be conspicuous signs at the report location, and a sufficient number of competent staffs should be assigned at the location to assist the Members.

The Company shall provide a sign-in book allowing attending Members or their appointed proxies to sign in or require attending Members to submit attendance cards in lieu of signing in.

The Company shall deliver the agenda, the annual report, the attendance card, the slips for speeches, the slips for votes and other meeting materials to the Members attending the meeting. If there is an election of directors, the Company shall also provide the voting slips to the Members.

The Members shall provide the attendance certificate, the sign-in card and other certificates for attendance to attend the meeting. The Company shall not request any additional attendance identification. The solicitor of proxies shall bring identification documents for verification when attending the general meeting of the Members.

When a Member is Government or a corporation, its proxy shall not be limited to one person, provided that the voting right that may be exercised shall be calculated on the basis of the total number of voting shares it holds.

Article 7. The Chairman of the general meeting and participants

If a general meeting of the Members is called by the Board of Directors, the Chairman of the Board of Directors shall preside at the said general meeting of the Members. In case the Chairman is on leave of absence, or cannot exercise his powers and authority, the Vice Chairman shall act in lieu of him. If there is no Vice Chairman, or the Vice Chairman is also on leave of absence, or cannot exercise his powers and authority, the Chairman shall designate a Managing Director to act in lieu of him; if there is no Managing Director, the Chairman shall designate a Director to act in lieu of him. If the Chairman does not designate a Director, the Managing Directors or Directors shall elect one from among themselves to act in lieu of the Chairman.

Any Managing Director or a Director who is to be elected as the Chairman, should have served as a Managing Director or a Director for more than six (6) months and understands the Company's financial situation and business operations. Such requirement applies to the Chairman who is a proxy of a corporate Director as well.

For the general meetings of the Members that are convened by the Board of Directors, it would be advisable that the chairman shall host the Shareholders' meeting in person and for a majority of the Directors to attend the meeting in person. In addition, all functional committees shall send at least one representative to preside over the Shareholders' meeting and their attendance shall be recorded in the meeting minutes.

As for a general meeting of the Members convened by any other person having the convening right, he/she shall act as the chairman of that meeting provided, however, that if there are two or more persons having the convening right, the chairman of the meeting shall be elected from among themselves.

The Company may designate its lawyer, certified public accountant or other relevant persons to attend the general meeting of the Members.

Article 8. Archiving of the audio or video recording of the meeting

The Company shall record without interruption with an audio and video tape from the time the Members report to the general meeting the report process, the whole proceedings of the general meeting of the Members, and the process of voting and ballots counting.

The said audio recording and video tape shall be kept for at least one (1) year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the ROC Company Act, the audio recording and video tape shall be retained until the conclusion of the litigation.

Article 9. The calculation of the number of shares represented by Members attending the meeting

The number of shares represented by Members attending the meeting shall be calculated in accordance with the sign-in book or the number of attendance cards submitted by Members, added with the number of votes exercised in writing or by means of electronic transmission.

The Chairman shall call the meeting to order at the time scheduled for the meeting. If the number of shares represented by the attending Members has not yet constituted a quorum as set out in Article 50 of the Articles of Association of the Company at the time scheduled for the meeting, the Chairman may postpone the time for the meeting. The postponements shall be limited to two times at most, and the meeting shall not be postponed for more than one hour in total with the same quorum requirements as the meeting originally convened as set out in Article 50 of the Articles of Association of the Company. If after two postponements the number of shares represented by the attending Members has not yet constituted more than fifty percent (50%) of the total issued shares, the Chairman shall announce the dissolution of the meeting.

Article 10. Deliberation

The agenda of the meeting shall be set by the Board of Directors if the meeting is convened by the Board of Directors. Unless otherwise approved by the Members at the meeting, the meeting shall proceed in accordance with the agenda.

The preceding paragraph applies *mutatis mutandis* to cases where the meeting is convened by any person, other than the Board of Directors, entitled to convene such meeting.

Unless otherwise resolved at the meeting, the Chairman cannot announce adjournment of the meeting before all items listed in the agenda (including an extempore motion) are resolved. In case the Chairman adjourns the meeting in violation of these Rule, other members of the Board of Directors shall promptly assist the attending Members to elect, by the votes of more than one-half of the votes represented by attending Members present at the Meeting, another person to serve as Chairman to continue the meeting in accordance with due procedures.

The Chairman shall provide sufficient time for the explanation and discussion of all items listed in the agenda or an extempore motion and the amendments submitted by Members. The Chairman may announce an end of discussion and submit an item to a vote if the Chairman deems that the agenda item is ready for voting.

Article 11. Statements from the Members

When a Member attending the meeting wishes to speak, a slip for speeches should be filled out with a summary of the speech, the Member's account number (or the number of attendance card) and the account name of the Member. The sequence of speeches shall be determined by the Chairman.

If any attending Member at the meeting submits a slip for speeches but does not speak, no speech shall be deemed to have been made by such Member. In case the contents of the speech of a Member are inconsistent with the contents of the slip for speeches, the contents of the actual speech shall prevail.

The same Member may not speak more than twice concerning the same item without the Chairman's consent, and each speech time may not exceed five minutes. In case the speech of any Member violates the above provision or is outside the scope of the agenda item, the Chairman may stop the speech of such Member.

Unless otherwise permitted by the Chairman and the speaking Member, no Member shall interrupt the speech of the other Member. The Chairman shall stop such interruption.

If a corporate Member has appointed two or more representatives to attend the Meeting, only one representative can speak for each agenda item.

After the speech of a Member, the Chairman may make responses by himself/herself or appoint an appropriate person to respond.

Article 12. Voting at a Meeting shall be based on the number of shares and measures for recusal of Members.

The shares of Members with no voting rights shall not be included in the total number of issued shares while voting on resolutions.

The voting shall be calculated based on the number of the shares.

If there is concern that a Member's interest may conflict with and adversely affect the Company's interests with regard to any matters discussed at the meeting, that Member shall not participate in voting, and may not represent another Member to exercise his or her voting rights.

The number of shares of those Members not permitted to exercise their voting rights in the foregoing paragraph shall not be included in counting the total number of voting shares for attending Members.

Article 13. Voting, Checking and Counting Ballots

Each Member is entitled to one vote for each share held, except where there is limitation on the voting right or the voting right is denied by operation of the second paragraph of Article 179 of the ROC Company Law.

The Company may resolve that the voting power of a Member at a general meeting may be exercised in written or by way of electronic transmission and the procedure of electronic casting shall be written in the notice of shareholders' meeting. Shareholders who vote in written or by way of electronic transmission shall be deemed as presented in person. With respect to extemporary motions and amendments of the original proposals in the shareholders' meeting, those who vote in written or by electronic transmission shall be considered as abstain.

In case a share holder elects to exercise his voting right in writing or by way of electronic transmission, his declaration of intention shall be delivered to the Company two (2) days prior to the scheduled meeting date of the shareholders' meeting, whereas if two or more declarations of the same intention are delivered to the Company, the first declaration of such intention received shall prevail, unless an explicit statement to rescind the previous declaration is made in the declaration which comes later.

In case a shareholder who has exercised his voting right in written or by way of electronic transmission intends to attend the shareholders' meeting in person, he shall two (2) days prior to the meeting date of the scheduled shareholders' meeting and in the same manner previously used in exercising his voting right, deliver a separate declaration of intention to rescind his previous declaration of intention made in exercising the voting right under the preceding paragraph. In the absence of a timely rescission of the previous declaration of intention, the voting right of exercised in writing or by way of electronic transmission shall prevail. In case a shareholder has exercised his voting right in written or by way of electronic transmission, and has also authorized a proxy to attend the shareholders' meeting on his behalf, then the voting right exercised by the authorized proxy for the said shareholder shall prevail.

Except as otherwise provided by the legislation and in these Articles, resolutions of a shareholders' meeting shall be adopted at a meeting attended by shareholders representing a majority of the total number of issued shares and at which meeting a majority of the shareholders vote in favor of such resolutions. In voting, the Chairman or its designated person shall announce the total number of votes by the attending Members for each proposal, and the voting for each proposal shall be made on a poll. The Company shall publish the voting results (including the consent votes, the objection votes and those who waive their voting rights) to the MOPS on the same day of the meeting.

Should there be an amendment or alternative to one motion, the Chairman may combine the amendment or alternative into the original motion, and determine their order for resolution. If any one of the above shall be resolved, the others shall be considered as rejected, upon which no further resolution shall be required.

The Chairman shall appoint persons responsible for checking and counting ballots during votes on agenda items. However, the persons responsible for checking ballots must be Members.

The voting and ballots counting shall be done publicly at the meeting venue and the result of voting, including the calculation weight, shall be announced at the meeting and placed on record.

Article 14. Election-related matters

If the election of Directors is held at a general meeting of the Members, such an election shall be held in accordance with the Company's relevant election Rules and Procedures. The result of the election, including the list of elected Directors and their electoral vote counts must be announced at the meeting.

The ballots cast in the election in the foregoing paragraph must be given proper safekeeping and kept for at least one (1) year upon seal by and with signatures of the persons responsible for checking. If, however, a shareholder files a lawsuit pursuant to Article 189 of the ROC Company Act, the ballots shall be retained until the conclusion of the litigation.

Article 15. Meeting minutes and signature and seal of the minutes

Resolutions made at a general meeting of the Members shall be compiled in the form of minutes in accordance with the Articles of Association of the Company and the laws of the Cayman Islands. The Chairman shall affix his/her signature or seal to the minutes, which shall be issued to Members within twenty (20) days after the end of the meeting. Minutes may be produced and issued to Members in electronic form.

The minutes may be distributed by publishing in the form of a public announcement at the MOPS.

The minutes must faithfully record the date (year, month, day) of the meeting, place, Chairman's name, resolution method, summary of proceedings, and results of resolutions. The minute of the meeting shall be kept for as long as the Company exists.

Article 16. Public disclosure

On the day of the meeting, this Company shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation and the number of shares represented by proxies, and shall make an express disclosure of the same at the place of the meeting.

If matters put to a resolution at a meeting constitute material information under applicable laws or regulations or under GreTai Securities Market regulations, this Company shall upload the content of such resolution to the MOPS within the prescribed time period.

Article 17. Preservation of order at the Meeting

Those handling the business of a general meeting of the Members shall wear an identification card or an armband bearing the word "Proctor."

The Chairman may direct disciplinary personnel (or security personnel) to maintain the order of the meeting. For doing so they shall wear an identification badge.

If there is any speaker device at the meeting venue, the Chairman of the meeting may prevent Members from delivering a speech using the device provided by the Company.

The Chairman may direct the disciplinary personnel (or security personnel) to ask the Member who refuses to obey these Procedures or the orders of the Chairman and disturbs the proceedings of the meeting to leave the meeting premises.

Article 18. Intermission and reconvening of the Meeting

During the meeting, the Chairman may, at his or her discretion, set time for intermission. In exceptional cases, when there are incidents that temporarily prevent the normal progress of the meeting of the Members, the Chairman may decide to temporarily suspend the meeting and announce, depending on the situation, the time that the meeting will resume.

Before the agenda (or an extempore motion) items set for the meeting of the Members are completed, if the meeting venue cannot continue to be used for the meeting, the Members may resolve to seek another venue to resume the meeting.

The Members may resolve, pursuant to Article 182 of the ROC Company Act, by an ordinary resolution to adjourn the meeting within five (5) days.

Article 19. These Rules, and any amendments hereto, shall be implemented after adoption by the general meeting of Members.
